

## **Privacy Notice - community led housing register**

9<sup>th</sup> January 2019

### **Why we are collecting your data**

People are looking meet likeminded people who they can initiate a project with, either in a local area or as an interest group across London. Councils are also keen to gauge interest for community led housing, from both groups and individuals, as development opportunities arise.

By filling out our community led housing register, we can begin to connect people with local authorities and others across London.

### **How we will use your data**

The questions on the survey help to give us an idea of the kind of project you might be interested in. We will contact you with opportunities in your local area or if we feel there are a group of people who should meet.

To aid the development of the community-led housing sector, we may share relevant information with key partner organisations such as the national membership organisations and the GLA. Under these circumstances, the data will be anonymised.

### **How we will store your data**

The information you submit will be held securely by community led housing London and only accessible to staff. It will be electronically stored as necessary to provide efficient administration. This includes contacting you with information about further / alternative funding and information events.

We will not transfer your personal data outside the EU without your consent.

We will retain your details for 3 years after which, we will contact you to review your data and consent to being on the register.

### **Access, change or remove your data**

If you want to access, review or change the data you have provided, please contact one of the team at [info@communityledhousing.london](mailto:info@communityledhousing.london)

We will remove personal data upon request. However, we will retain non-person-specific data indefinitely to monitor trends. This information will be completely anonymised and will not be linked to any specific individual or association.

### **Future contact**

By filling out the community led housing register, you agree to being contacted by the hub. A key purpose of CLH London is to share knowledge and resources, which includes contacting you about opportunities and resources for your project.

We will not share your contact details with any local authority or other individuals without prior consent.

### **Further Information**

We reserve the right to update this privacy notice and will notify you accordingly.
